**A Designer's Approach to Scientific Visualization: Visual Strategies for Illustrating Motion Dataset**

Plan to show completed animated visualizations on laptop to accompany poster. Along with many print-outs of the visualizations, showing the quantity, just to give a sense of the scale of this process, to document the process for the attendees.

"Process Book" A possible book designed showing evolution of process from the summer, including all writing and visuals, showing the quantity and quality of the process.

More creative possibilities are being brainstormed.
